

InsightCloud Care for Azure

Maximize your Azure investment with InsightCloud Care.

InsightCloud Care – our award-winning program for clients that purchase public cloud solutions.

Many organizations are increasingly using the public cloud to scale architecture, increase compute, and enhance security. But rapid growth without the right administration leads to oversized workloads, idle consumption, and misspent cloud resources.

InsightCloud® Care for Azure is a market-leading solution for optimizing Azure® acquisition, consumption, and spend.

Our solution: InsightCloud Care for Azure

Acquire Azure through InsightCloud Care for **3% off MSRP** for consumption.

Establish consumption and cloud spend budgets and alerts for early warning of unexpected and unusual spend.

Receive concierge support and best practice recommendations from your Cloud Success Manager – tagging, policy creation, portal training, and security.

Leverage **24/7/365 break-fix technical support** and troubleshooting backed by Insight's Premier Support agreement.

Access Insight's Cloud Commerce Portal for purchasing, reporting, and invoicing.

Receive Azure advisory services from cloud experts.
