

## Why Insight and OMNIA Partners?

Insight Public Sector's expertise as a Solutions Integrator drives transformation and modernization through intimate understanding of client needs, vast technology expertise, comprehensive services and deep vendor partnerships. By looking for value-added opportunities, we help drive innovation and develop platforms to better support future needs. We help organizations seize opportunity and mitigate transformation risks, enabling them to adapt and compete by helping them build, adopt, connect, automate, and secure modern platforms that empower innovation and support modern applications.

- Exclusive access to low pricing through the contract
- Experienced IT specialists ready to help
- Strong client relations that support your IT needs
- Customized solutions that drive efficiency and reduce costs
- Flexible convenient ways to manage technology through leasing

## How our OMNIA Partners contract helps your organization

As a contract holder in the OMNIA Partners (formerly U.S. Communities) portfolio, Insight is uniquely positioned to sell both technology products and IT services.

By taking advantage of our competitively solicited contract for Technology Products, Solutions and Related Services available through OMNIA Partners, you have access to our full portfolio of hardware, cloud solutions and services.

- Save time and money with no user fees or comparison shopping.
- Eliminate duplicated efforts by countless agencies.
- Leverage economies of scale with no minimum purchase requirements.
